All 75 or most of the 75 - PDF Guides are partly done (**with more is being added each month**) and are re - posted on the membership side - part with in the next or the first two - months of 2022. Objective and goal - is to soon get up to and have all 100 PDF up to over 250 pages each.

Note: Yes. Both single people, people dating or are still dating, and also, first - time married people have reviewed (**Well, they have viewed and Pre - viewed and have read**) most on this “Web Site” and its many PDFs parts done and many of those still in draft so far. To now soon to also include members inputs. As a summary of the parts and up-coming part drafts; most people are telling us that this information is also needed for all people over age - 18 and as those single or are married and would be wanted for them, even those older married people too and many people found these as new information as is just new to them and as they **didn't** even know about much this good needed stuff (**information**).
